

As you already may know, there are three Democratic candidates running for Township Clerk:

Sheryl Mitchell  
Heddie O' Connor  
Catherine Shaughnessy

In addition to recordkeeping and conducting elections, the Township Clerk is required to maintain the accounting records for fund equities, revenues, and expenditures. I am the only candidate whose qualifications include advanced financial training and over 25 years experience in budgeting and administration, including working for Merrill Lynch, Wayne County Economic Development Corporation and 11 years as a Senior Analyst with Oakland County. Over the past five years, I have been serving you as a Parks and Recreation Commissioner. As Chairperson for two years, I led with great integrity, innovation and actively engaged residents. Prior to that, I was on the Cable Advisory Board. One of the qualities that I know you and other voter's value is the ability of elected officials to treat citizens with the utmost respect when they are speaking before any township board. I have always demonstrated this kind of positive and respectful interaction with citizens, my fellow colleagues and staff.

As your clerk, I will bring forward thinking, efficient budgetary practices, effective administration and collaborative partnerships that will benefit our community and provide enhanced services. I am committed to bringing respectful dialogues and integrity to the Township Board. As your township clerk, I will continue to make it my business to know what your priorities are. I hope that I can count on your support and vote in the Tuesday, August 5th Primary Election!
